DE FERRANTi®

Jacob's Tree - Russet

FLORIS is Neisha Crosland’s second collection of tiles with De Ferranti

JACOB’S TREE, 20cms x 20cms: Russet (shown), Catkin, Celadon, Rose, Ming Blue

A full blown abstract magnolia flowers grafted on to a Tree of Life.

Jacobean embroidery/copper plate etched illustrations from an old fairy tale book and Paul Poiret are all influences. The delicate drawn lines suggest the embroidery stitches that originally inspired the design.
