

Aurum Shell

This iridescent gold coloured shell is a very elegant surface and will add glamour to any interior.

Completely handmade, this finely cut and shaped Gold shell is carefully set on mesh for ease of installation. Each shell tessera is 10mm, 15mm or 20mm square.

Commissions have included walls, vanity unit doors and tabletops. Its uses are endless. Where the budget is restricted we recommend that our clients use shell for borders, dados (chair rails) or as accent tiles.
