DE FERRANTi®

Black Marble Pierced Screen Jali - Model A

Ornate as dictated by their clients wishes, De Ferranti's jali collection can be offered in Marble, Sandstone, Metal and Wood.

Commissions have included dividing screens, window grilles, ornate gates, air-conditioning and speaker grilles and for use in furniture.

De Ferranti specialises in creating custom Jalies for their clients. A good example of this customisation is the combination of coloured glass with our Jalies to create a wonderful effect with the light that shines through.

A patination service is also available.
