

Diamanti™ - Crystal Small

Inspired by vintage Cartier, is a new range of wall coverings from De Ferranti including a range of colours such as rock crystal, boudoir pink, ruby red, gold and rainbow multi-colour.

These jewel-bright adhesive tiles consist of lots of sparkly minute-cut glass crystals. It certainly gives a lot of girly glamour to a bathroom !

Easy to apply, the tiles can be used to clad columns or any concave or convex surfaces, since they bend so gracefully. You can clad walls, cupboard interiors, doors, partitions, screens, ceilings and mirror frames, so it's a very creative material.
