

Saffron Picker

Fresco Tiles Inspired by the 'Saffron Pickers' on the wall paintings of Thera

Polished slip surface. Similar technique to that used in Ancient Greek Pottery.

These tiles have the aged and weathered look of ancient frescoed walls. Instead of a conventional glaze, they have a satin finish, fired to 1045 Centigrade for colour stability, and are sealed to ensure they are impervious to water and grease.

From De Ferranti's Thera Tile Collection

Product Specifications:

Length: 15 cm
Thickness: 1 cm
Width: 15 cm
Finishes: Custom, Handmade,
Handpainted

Product Applications:

Bathrooms
Internal use
Kitchens
Residential

Restaurants
Tile
Walling
