DE FERRANTi®

# Zulu

## Inspired by the engravings of Zulu shields these leather briquettes are sure to make a statement.

These sumptuous briquettes are veneered over a Marine Ply substrate for ease of installation. They are then painstakingly coloured, patinated and distressed prior to receiving a coat of sealer and wax. Colours can range from black to brown to a coca-cola shade. These briquettes are very textural and interest.

De Ferranti also offer a fully customised colouring and special composition service. Other standard designs include Paviers (squares) and Parquet de Versailles.
