

Boomerang - Cream on Wax

A design that one keeps coming back to

The juxtaposing and organisation of the repeat of two different sized boomerang or V shapes give this design a movement of a propeller in motion.

"I always think that putting shapes into repeat is a bit like arranging notes in music: only it produces a visual rhythm and tune rather than audible one. I hope this collection demonstrates this." Neisha Crosland

Product Specifications:

Length: 20 cm
Thickness: 2 cm
Width: 20 cm
Finishes: Glazed, Handmade,
Handpainted

Product Applications:

Bathrooms
External use - warm climate
Flooring
Kitchens

Residential
Restaurants
Tile
Walling
