

Quadra Shell

Our freshwater shell is elegant as it is timeless. Fabulous when combined with white marble.

Completely handmade, this finely cut and shaped Quadra (freshwater) shell is carefully set on mesh for ease of installation. Each shell tessera is 10mm, 15mm or 20mm square.

Commissions have included walls, vanity unit doors and tabletops. Its uses are endless. Where the budget is restricted we recommend that our clients use shell for borders, dados (chair rails) or as accent tiles.
