

Cracklé Gold Mother of Pearl

Crackled Gold Lip shell

Completely handmade, this exquisite shell is carefully veneered over a cement backing board substrate for ease of installation. This delicate product is not supplied on mesh but specially veneered to order to ensure a seamless installation. Tiles are also available.

Commissions have included walls, bath fronts, vanity unit doors and tabletops. Its uses are endless. Where the budget is restricted we recommend that our clients use shell for borders, dados (chair rails) or as accent tiles.
