

## Blanc Horta

Marble Inlay by The Artistic Tile Company

Blanc Horta uses the botanical forms of Art Nouveau as inspiration and contrasts a polished Thassos snow white marble background and dots with polished Crema Marfil limestone lines and dots as well as various tones of warm beige accented by grey and gold pencil veins with blush undertones; punctuated with dots of polished China Black marble. As these tiles are custom-made, a wide variety of materials and colours can be used – see Bijou Horta, Bleu Horta, Ciel Horta, Sable Horta and Crème Horta.
