

Swimming pool brick in turquoise and azure

Iridescent glass mosaic

As vibrant as a Mediterranean blue sea or a vivid green English landscape, these blue and green pearlescent mosaic tiles are perfect for those wanting to be a bit more experimental with colour and sheen. Our swimming pool brick mosaic tiles look stunning in a pool or spa, but are ideal for showers, baths and splashbacks or any interior surface requiring something extra special. With their opulent pearlescent finish, these 30 cm square mosaic tiles are crafted from handmade glass and brilliantly reflect light for a truly striking effect.
