

Laurel Border

Create a luxurious black and white border frame around your floor to lift and personalise it to your taste

This unique Laurel Leaf patterned border is fashioned from Pietra Nera and hard White Limestone over a cement base ensuring that the border is not only stable and sound, but also easy to install. Totally handcut, hand assembled, a truly handmade product. No border is the same as the artists hand is vital in creating natural nuances within each interlocking piece.

Thicknesses can be 1cm or 2cm or to order as can the border widths and material combinations.

All the De Ferranti borders are fully customisable.
