

Leonarda Olive Green and White Handpainted Terracotta Tile

Hand-painted in an artisan's studio in Southern Italy

Beautifully decorated in shades of whites over a olive green background. What is special about this background and tile body is that it has been delicately aged. No tile is the same, making the end result even more appealing. Made and painted by hand. Of Sicilian origin. 18th C.

Four tile repeat.

From De Ferranti's Italianate Handpainted Tiles Collection

Product Specifications:
