DE FERRANTi®

Flowers of Jordan - Yellow Asphodel

Section of an exquisite Micro-mosaic Panel.

Our micro-mosaics are made in tiny pieces of stone, too small to handle with your fingers. Each stone is carefully selected for its natural tone and beauty. We use stone, semi-precious hard stones, agates and many others. Our mosaics are constructed in the ‘vermiculatum’ style providing lots of interesting background movement.

Product Specifications:
Finishes: Custom, Handmade

Product Applications:
Art Installation
